CSA Shareholder Agreement

I understand that payment for a share of the Miller Plant Farm Produce CSA entitles me a share of fruits and vegetables from Miller Plant Farm and cooperating local farms. This is a commitment between myself and Miller Plant Farm produce CSA, and I recognize that I will share in the risks of the growing season along with other members and the farmer. For optimum quality and freshness every effort should be made to pick up on your scheduled day. I understand that pick-up times will be assigned based on the share I have chosen, and arrangements must be made if I am unable to pick up my share on my scheduled day. If I do not pick up my share on my scheduled day and arrangements have not been made, my share will be donated. I also understand my payment is non-refundable.
