2019 Produce CSA Pricing

Our CSA is designed with the intention of providing participants with a good measure of farm-fresh, high quality produce each week. The weekly share for CSA will be pre-determined by Miller Plant Farm, but will be diversified week to week to encourage participants to sample a wide range of our fresh produce. The variables will be largely due to supplies, often influenced by the weather. Our goal is to keep the produce offering continuously changing and encouraging participants to consume and enjoy fresh produce **from our Farm to your family.**
