

## Deer Resistant Perennials

The following list is a list of plants that are thought to be more deer resistant than others.

However, the deer resistance of these plants is subject to your unique individual deer population and what other food is available to them. We cannot guarantee that your deer do not have taste for the unusual 😊

### Shade/Part Shade:

Aegopodium/Snow on the Mountain  
Ajuga/Bugleweed  
Alchemilla/Lady's Mantel  
Anemone/Windflower
